H3C HCNE

GB0-183English: HuaWei-3Com Certificated Network Engineer

Practice Exam: GB0-183English Exams

Exam Number/Code: GB0-183English

Exam Name: HuaWei-3Com Certificated Network Engineer

Questions and Answers: 526 Q&As

([HCNE](#))

"HuaWei-3Com Certificated Network Engineer", also known as GB0-183English exam, is a H3C certification. With the complete collection of exam questions, Just4Study has assembled to take you through 526 Q&As to your GB0-183English exam preparation. In the GB0-183English exam resources, you will cover every field and category in H3C Certification helping to ready you for your successful H3C Certification.

Exam : [GB0-183English](#)

The exam questions cover the latest real test and with all the correct answer. we promise the Q&A for H3C HCNE GB0-183English (HuaWei-3Com Certificated Network Engineer) examination of original title complete coverage. GB0-183English exam questions help you pass the exam.

Just4Study GB0-183English Feature:

* High quality - High quality and valued for the GB0-183English Exam: 100% Guarantee to Pass Your GB0-183English exam and get your HCNE certification.

* Authoritative - Authoritative braindumps with complete details about GB0-183English exam.

* Cheaper - Our Just4Study products are cheaper than any other website. With our completed HCNE resources, you will minimize your **H3C HCNE** cost and be ready to pass your GB0-183English exam on Your First Try, 100% Money Back Guarantee included!

* Free - Try free HCNE demo before you decide to buy it in <http://www.Just4Study.com>.

Just4Study Guarantee:

Just4Study provides the most competitive quality of all exams for the customers, we guarantee your success at the first attempt with only our Certification Question&Answers, if you do not pass the GB0-183English exam at the first time, we will not only arrange FULL REFUND for you, but also provide you another exam of your claim, ABSOLUTELY FREE!

Free GB0-183English Demo Download

Just4Study offers free demo for HCNE GB0-183English exam (HuaWei-3Com Certificated Network Engineer). You can check out the interface, question quality and usability of our practice exams before you decide to buy it. We are the only one site can offer demo for almost all products.

The Questions & Answers cover the latest real test and with all the correct answer. we promise the Q&A for **H3C HCNE GB0-183English** examination of original title complete coverage. GB0-183English Questions & Answers help you pass the exam. Otherwise, we will give you a full refund.

VUE/Prometric Code: GB0-183English

Exam Name: HuaWei-3Com Certificated Network Engineer(HCNE)

Questions and Answers: 526 Q&A

H3C GB0-183English Test belongs to one of the HCNE certified test, if needs to obtain the HCNE certificate, you also need to participate in other related test, the details you may visit the [HCNE](#) certified topic, in there, you will see all related HCNE certified subject of examination.

Just4Study professional provide HCNE GB0-183English the newest Q&A, completely covers GB0-183English test original topic. With our complete HCNE resources, you will minimize your HCNE cost and be ready to pass your GB0-183English tests on Your First Try, 100% Money Back Guarantee included!

Just4Study Help You Pass Any IT Exam

Just4Study.com offers incredible career enhancing opportunities. We are a team of IT professionals that focus on providing our customers with the most up to date material for any IT certification exam. This material is so effective that we Guarantee you will pass the exam or your money back.

Exam : HuaWei GB0-183English

Title : HuaWei-3Com Certificated Network Engineer

1. If the user data exceeds the Bc (committed burst) in a frame relay network, the exceeding data will be dropped. ()

- A. True
- B. False

Answer: B

2. Two routers are in back-to-back connection with the following configuration. Can they communicate with each other? ()

```

- A. Yes
- B. No
- C. No decision can be made, for there is not enough information.

Answer: A

3. Common routing protocols are ().

- A. IPX
- B. OSPF
- C. RIP
- D. IP

Answer: BC

4. Both the transport layer and the data link layer perform error check. ()

- A. True
- B. False

Answer: A

5. DCC can carry IP or IPX independently, or carry them at the same time. ()

- A. True
- B. False

Answer: A

6. RIP adopts () as the transport protocol with the port number 520.

- A. TCP
- B. UDP
- C. IP
- D. PPP

Answer: B

7. Which of the following is a correct description of IP address? ()

- A. Each IP address contains the network address and the host address.
- B. The minimum IPv4 address is 0.0.0.0, and the maximum is 255.255.255.255.
- C. 32-bit binary address is used.
- D. The IP address mask and the IP address perform Boolean AND operation. The bits with the result value 0 are the host bits.

Answer: ABC

8. What algorithm is adopted in PPP CHAP authentication? ()

- A. MD5
- B. DES
- C. RSA
- D. SHA

Answer: A

9. The types of ACLs are identified with numbers. The range 4000-4999 refers to the ().

- A. Interface-based ACL
- B. Basic ACL
- C. Advanced ACL
- D. MAC-based ACL

Answer: D

10. To test the gateways that a packet will pass through from the source host to the destination, use the command () in the H3C COMWARE command line.

- A. ping
- B. tracert
- C. show path
- D. display path

Answer: B

11. Which of the following is right about OSPF? ()

- A. It is fast in convergence.
- B. It is loop-free, and supports variable-length subnet mask.
- C. It supports equal-cost multipath and area division.
- D. It supports authentication, and the protocol packets sending with multicast.

Answer: ABCD

12. The H3C AR routers can be upgraded in different ways. Which of the following is not supported? ()

- A. Xmodem
- B. FTP
- C. TFTP
- D. HGMP

Answer: D

13. A network protocol is a set of rules and conventions that prescribe how network devices inter-communicate. The communication parties shall understand and abide the protocol. ()

- A. True
- B. False

Answer: A

14. The TFTP port number is ().

- A. TCP port 68
- B. UDP port 68
- C. TCP port 69
- D. UDP port 69

Answer: D

15. Which of the following is a correct description of subnet mask? ()

- A. There are two ways to express the subnet mask. One of them uses mask length.
- B. It decides which part of the IP address identifies the network, and which part identifies the host.
- C. The address mask of Class A addresses is 255.255.0.0.
- D. None of the above is right.

Answer: AB

16. Frame Relay adopts () as the switching method.

- A. Routing
- B. Circuit switching
- C. Fast switching

D. Packet switching

Answer: D

17. The command to save the current configuration on the H3C router COMWARE 3.4 is ().

A. write

B. save

C. copy

D. reset

Answer: B

18. Which layer of the OSI reference model implements encryption. ()

A. Physical layer

B. Transport layer

C. Session layer

D. Presentation layer

Answer: D

19. Which of the following is an application layer protocol that uses port number 25? ()

A. FTP

B. TFTP

C. Telnet

D. SMTP

Answer: D

20. Two routers are in back-to-back connection with the following configuration. Can they communicate with each other? ()

```
[Router1] display current-configuration
```

```
#
```

```
