### HP Certification III

#### HP0-205: Supporting the Enterprise Modular Library

**Practice Exam:** HP0-205 Exams

**Exam Number/Code:** HP0-205

**Exam Name:** Supporting the Enterprise Modular Library

**Questions and Answers:** 64 Q&As

( [Certification III](#) )

"Supporting the Enterprise Modular Library", also known as HP0-205 exam, is a HP certification. With the complete collection of exam questions, Just4Study has assembled to take you through 64 Q&As to your HP0-205 exam preparation. In the HP0-205 exam resources, you will cover every field and category in HP Certification helping to ready you for your successful HP Certification.

Exam : [HP0-205](#)

The exam questions cover the latest real test and with all the correct answer. we promise the Q&A for HP Certification III HP0-205 (Supporting the Enterprise Modular Library) examination of original title complete coverage. HP0-205 exam questions help you pass the exam.

#### **Just4Study HP0-205 Feature:**

\* High quality - High quality and valued for the HP0-205 Exam: 100% Guarantee to Pass Your HP0-205 exam and get your Certification III certification.

\* Authoritative - Authoritative braindumps with complete details about HP0-205 exam.

\* Cheaper - Our Just4Study products are cheaper than any other website. With our completed Certification III resources, you will minimize your **HP Certification III** cost and be ready to pass your HP0-205 exam on Your First Try, 100% Money Back Guarantee included!

\* Free - Try free Certification III demo before you decide to buy it in <http://www.Just4Study.com>.

#### **Just4Study Guarantee:**

Just4Study provides the most competitive quality of all exams for the customers, we guarantee your success at the first attempt with only our Certification Question&Answers, if you do not pass the HP0-205 exam at the first time, we will not only arrange FULL REFUND for you, but also provide you another exam of your claim, ABSOLUTELY FREE!

#### **Free HP0-205 Demo Download**

Just4Study offers free demo for Certification III HP0-205 exam (Supporting the Enterprise Modular Library). You can check out the interface, question quality and usability of our practice exams before you decide to buy it. We are the only one site can offer demo for almost all products.

The Questions & Answers cover the latest real test and with all the correct answer.we promise the Q&A for **HP Certification III HP0-205** examination of original title complete coverage.HP0-205 Questions & Answers help you pass the exam. Otherwise,we will give you a full refund.

#### **VUE/Prometric Code: HP0-205**

Exam Name: Supporting the Enterprise Modular Library( Certification III )

Questions and Answers: 64 Q&A

[HP HP0-205](#) Test belongs to one of the Certification III certified test, if needs to obtain the Certification III certificate, you also need to participate in other related test, the details you may visit the [Certification III](#) certified topic, in there, you will see all related Certification III certified subject of examination.

Just4Study professional provide Certification III HP0-205 the newest Q&A, completely covers HP0-205 test original topic. With our complete Certification III resources, you will minimize your Certification III cost and be ready to pass your HP0-205 tests on Your First Try, 100% Money Back Guarantee included!

### **Just4Study Help You Pass Any IT Exam**

[Just4Study.com](#) offers incredible career enhancing opportunities. We are a team of IT professionals that focus on providing our customers with the most up to date material for any IT certification exam. This material is so effective that we Guarantee you will pass the exam or your money back.

Exam : HP HP0-205

Title : Supporting the Enterprise Modular Library

1. When replacing a failed Interface Manager card in an EML E-Series tape library, what must you do to preserve the original configuration information?

- A. Save the configuration to floppy disk and recover the configuration using the serial Command Line Interface.
- B. Print the configuration to file and then restore using ftp.
- C. Backup the configuration and then restore it using Command View TL.
- D. Move the memory card from the old to the new Interface Manager card.

Answer: D

2. An EML E-Series tape library is powered on. Before opening the library front door, \_\_\_\_\_.

- A. operable robotics must be parked
- B. the library must be powered off
- C. the Operator Control Panel must indicate "service request"
- D. cartridges must be removed from the load ports

Answer: A

3. What is the most critical factor affecting performance at the disk subsystem during a backup?

- A. disk connection speed
- B. disk fragmentation
- C. tape feed speed
- D. compression ratio

Answer: B

4. You are at a customer site to repair an EML E-Series tape library. What is the last thing you must do after replacing any defective parts?

- A. Identify the cause of the initial fault.
- B. Close the front and rear doors.
- C. Test the library functionality.
- D. Check the cabling.

Answer: C

5. Excessive R/W-head wear due to tape repositioning is a result of not providing the correct \_\_\_\_\_.

- A. feed speed
- B. block size
- C. file size
- D. compression ratio

Answer: A

6. Which component of the EML E-Series tape library is located in the top cPCI slot in the library base module card cage?

- A. Interface Manager memory
- B. robotics controller
- C. interface controller
- D. Interface Manager

Answer: B

7. Compared to an Ultrium 460 tape drive, the transfer rate for native data of an Ultrium 960 drive is \_\_\_\_.

- A. slightly lower
- B. approximately the same
- C. approximately 2 times higher
- D. more than 2.5 times higher

Answer: D

8. Which HP software can be used to calculate the actual compression ratio of backup data?

- A. Performance Analysis Tool
- B. Library and Tape Tools
- C. I/OMETER
- D. DPMETERM

Answer: B

9. Which option of Command View TL is used to collect configuration information and execute a Device Analysis test on the selected device or devices for an EML E-Series tape library?

- A. backup configuration
- B. get config
- C. report event logs
- D. generate support ticket

Answer: D

10. Which file factor does NOT affect performance of tape devices in a SAN environment?

- A. extension
- B. compressibility
- C. directory depth
- D. size (larger is better)

Answer: A

11. Which HP tool is used to measure sequential performance?

- A. Performance Analysis Tool
- B. TapePerf
- C. I/OMeter
- D. HPReadData

Answer: A

12. You are at a customer site to repair an EML E-Series tape library. What is the first thing to consider before replacing any defective parts?

- A. the part replacement procedure
- B. how the fault was caused
- C. customer site procedures
- D. firmware revision levels

Answer: C

13. When replacing a failed Ultrium tape drive in an EML E-Series tape library, the library \_\_\_\_.

- A. must be offline with no I/Os going to any other drives
- B. must be powered off before replacing the new drive
- C. automatically recognizes the new drive without rebooting
- D. must be rebooted to recognize the new drive

Answer: D

14. Where do you find information regarding backup performance in a SAN environment? Select TWO.

- A. SAN Design Guide
- B. EBS Design Guide
- C. EBS Compatability Matrix
- D. Performance Troubleshooting Guide
- E. EML E-Series User Guide

Answer: BD

15. Which EML E-Series tape library FRU has a Command Line Interface port?

- A. interface controller card
- B. robotics controller card
- C. Interface Manager memory card
- D. Interface Manager card

Answer: D
